# GRANTS PROGRAMME

## ELIGIBILITY CRITERIA

To be eligible for funding under the Op Shop Grants Program, the organisation and project **must** meet the following criteria:

1. **Scope of Grants** - Projects will be located within **the Port Macquarie Hastings LGA with priority to be given to projects within the Kendall/Camden Haven area** to serve its residents.
2. **Not-for-Profit Community Organisations** - Only Incorporated not-for-profit community based organisations whose projects reflect their direct need and who are directly responsible for the intended project are eligible for funding under the Grants Program. Therefore individuals, for-profit companies and service clubs who intend to supplement their fund raising for a third party's project, are ineligible.
3. **Benefit to the Community** - The project must clearly identify and address a community need.
4. **Community Involvement** - The application must show how the community will be involved, both directly and indirectly, in the project. Priority will be given to those projects, which encourage the participation of the specific group and the community.
5. **ABN and Incorporation** – Organisation **MUST** provide:
  - An Australian Business Number (ABN);
  - A copy of the Certificate of Currency for Public Liability (minimum of \$10 million);
  - If the applying Organisation is more than one year old, financial statements for the previous two financial years. This includes Auspicing Agencies where applicable.
6. **Financial Accountability** – Organisations that have not fulfilled their financial or reporting accountability requirements (acquittals & evaluations) associated with previous Op Shop funding will not be considered. This includes Auspicing Agencies where applicable.
7. **Due Date** – Applications received after the closing date will not be eligible.  
All applications are considered on their merits.
  - (i) Funding will not be given to organisations who hold sufficient funds to complete the project unless a valid explanation is provided as to why the organisations' funds cannot be applied towards the project.

## PROJECT CATEGORIES

A cross section of sport and recreation, community services, education, arts and cultural **projects will be considered**, with funding being provided for:

- One-off Projects;
- Small capital/equipment items;
- Facility development (eg sporting fields and facilities which are not fully funded through other agencies);
- Establishment costs where the project can demonstrate that it will be self-funding after the initial grant allocation.
- Educational funding support for schools.

## **INELIGIBLE PROJECTS**

The Op Shop Grants Program **does not fund** projects that:

- Do not meet the Grant Program objectives;
- Have already commenced or are complete;
- Are of a commercial nature or personal profit;
- Are for, or include, ongoing operating costs, for example salaries, electricity, postage, telephone, stationary, cleaning, public liability insurance, rent;
- Are for your uniforms and newsletters;
- Are for works on private property.

## **PREPARING AN APPLICATION**

1. **Application Form** – An application form is available at the Op Shop or maybe downloaded from the Op Shop website.

A hard copy of the completed application form, which has been signed by two representatives, along with any supporting documents, should be submitted to **the Secretary, PO Box 60, Kendall. 2439**

**The closing date for applications is 4pm, Friday 9<sup>th</sup> February 2024. Late applications will not be accepted.**

**NOTE:** Any community organisation or group wishing to discuss their proposals or seek advice in completing their applications should contract **the Grant Co-Ordinator or any Grant Committee Member.**

2. **Project Outcomes** - The application must clearly define the outcomes or goals of the project, that is, what the project will achieve in order to be successful. These outcomes should be specific and not merely broad aims, address areas of need identified in the applications.

In describing the Project, Applicants should consider how their Project outputs and outcomes address the five W's:

**WHO:** Who is involved? (who in the Community benefits and who is going to run the Project?)

**WHAT:** What do I want to accomplish? (describe the outputs and outcome)

**WHY:** Specific reasons for the Project.

**WHERE:** Identify a location where the Project will take place.

**WHEN:** Start and end dates of the Project.

3. **Project Budget** - The application must include a budget for the project, which should be realistic and cost effective.

The Budget should indicate the amount of Grant Funding being sought and a breakdown of expected expenditure and income, including any in-kind contributions. The Applicant's contribution maybe financial, in-kind materials and/or volunteer labour. For Projects that include volunteer labour the Grants Program currently rates voluntary labour at \$37.17 per hour. It is important that a breakdown of how the Grant will be spent is provided.

The upper limit for funding under the Programme is \$30,000.00. Applications that exceed the maximum limit will be considered ineligible.

4. **Grant Recipients, Australian Business Number and Incorporation-**  
**The Op Shop will require ABN and Incorporation Status, GST registration status or a GST exemption statement before making grant payments.** (Note - If your organisation is not incorporated you can still apply for funding under the banner of an auspicing organisation who will be responsible for the financial management of the project).

5. **Supporting Documentation**

**The application must include:**

- A full and transparent financial statement as at 31/12/2023 (A Profit & Loss Statement must be submitted. Supplying Bank Statements does not satisfy this requirement)
- Where the applicant has its own funds an explanation as to why additional funding is required (a grant is usually made to augment funds already held by the applicant)
- 2 quotes for projects in excess of \$500.00. One quote for projects under \$500.00
- Projects that include building or minor capital works, and some events, may require a DA. Where required, a copy of the DA or Exemption must be attached to the Application. Applicants are advised to check DA requirements with the Port Macquarie Hastings Council prior to submitting an Application.

**Failure to provide any of this documentation will render the application non-complying. A CHECKLIST is attached for your assistance.**

## ASSESSMENT

The Op Shop will follow a ranking process to determine the degree to which the projects:

- Meet all the Eligibility Criteria;
- Relate to the Priority Areas;
- Conform with the overall Objects of the Op Shop.

Please note, satisfying the Assessment Criteria alone does not guarantee the receipt of funding. The proposed Project will also be assessed against the relative merit of other projects in meeting the Grant Criteria.

In addition, it is anticipated that the number of eligible applications and funds sought will exceed the funds available and therefore the Op Shop Committee does not guarantee Projects will be successful nor that successful Projects will receive the full amount of funding requested.

The Op Shop will be totally responsible for the allocation of funds for grants and an announcement of the grants will be made at a **Presentation Evening on Thursday 7<sup>th</sup> March 2024**. Both successful and unsuccessful applicants will be notified in writing of the outcome of their applications. Cheques will be presented to successful applicants as soon as practicable.

## FUNDING AGREEMENT

Grants allocated to community organisations and groups from the Op Shop Grants Program are made on the following conditions:

- Funds must be expended on the project as described on the successful application;
- All projects must be completed within 12 months of receiving the funds (unless an extension has been granted);
- All funds allocated should be invested in an approved financial institution until such time that they are used for the specified purpose;
- Applicants are to arrange with the Secretary of the Op Shop for an on-site inspection of the project where appropriate;
- Formal advice of unexpended funds is required and funds not expended for the purpose outlined in the application should be returned to the Op Shop unless agreement has been reached to use these funds for other approved purposes;
